FERNANDO is very angry and with reasons.

STORY

Dude 1: Did you see **FERNANDO** on TV?

Dude 2: What **FERNANDO**?

D1: The one I have here, colgando... What **FERNANDO** do you think?

D2: Ah, **FERNANDO**... on TV?

D1: Yes, he was interviewed in the street, the Spanish TV (TVE), man.

D2: Oh yes? What did they ask to him?

D1: What he thought about bet houses and others things.

D2: And...?

D1: So... he lost the Royal Lambré.

D2: What?

D1: Yes man, he is cucú, he lost the pot, nobody is piloting the mystery ship.

D2: What? Why?

D1: It seems that his favourite uncle, **HERMENEGILDUS**, who smoke a lot, was struck by a yuyu, and his best friend is ruined because the bets.

D2: So... What did he say?

D1: That he is going to fire all the tobacco shops and all the bet houses he find. Look, look this video...

TVE reporter: So you are very angry...?

Fernando: Yes sir.

TVE: What is your complaint?

Fer: I am sick of the bet houses and tobacco shops.

TVE: But those are legal stores.

Fer: Yes, but are immoral.

TVE: Why?

Fer: They profit by the debilities of the people, they create and raise them, and make you a slave.

TVE: And what can we do?

Fer: As society... legislate, educate... I guess.

TVE: Yes, but I say as citizens, individually.

Fer: Mmmm, some options: informate people, help affected, prevention...

TVE: What would you concretely do?

Fer: Me? Personal? I would fire all those son of a [...]

TVE: ¿!?! Aaaah... Yes... ahhh... thank you Sir for your... testimony. And we continue asking people on the street and... bla bla bla...

D2: Ok, yes, he lost the Royal Lambré, yes. Maybe he was... you know...sniff, sniff or glu, glu, glu...?

D1: No man, he is clean many years.

D2: Ok, well, God bless him.

OBJECTIVE

FERNANDO objectives are join the 3 necessary objects to make a MO-LO-TOV. These objects are located on the scenary and can be: a gasoline can, a ligther, a match and a void crystal bottle.

When the last object is collected he will have 5 seconds to place the molotov in the indicated area (it will be in front of a tobacco shop 'T' or a bet house '\$').

If **FERNANDO** gets out of time the molotov will explode in his face and he will loose one of his 3 lives.

Default keys:

I = up

K = down

J = left

L = right

C = jump

Z = pause

CONTROLS

Keys can be redefined in the start menu.

ENEMIES

Policia: it have been alerted of a mad man who fires tobacco shops and bet houses. They will give FERNANDO a little Pamplona in his head if they can.

Old man: too many years retired, he is boring and he likes to snoop around the streets. The second thing he most likes is walk very slowly and be always in the middle.

Drone: flying around, it difficults the access to the objects.

Sillyflautdude: the legend saids that a young and handsome man made a flaut after watch some youtube videos. Since then, he plays it all time, desperating the entire world.

Assassin fish: dangerous acuatic mutation that lives in the Santander Bay.

Elarcanoese: TV presenter, he is obsesionated with his hair fall and go to Turkey and remoquette. He believes he is handsome but is ugly like a demon. He goes very mad in his scooter screaming all type of fools to the wind. He is full of money but he spends almost all in random bizuns to all kind of people.
